

**There goes
the loudest
woman this
town has
ever seen.**

**THE LAST GREAT AMERICAN
DYNASTY**

**How'd we
end up on
the floor
anyway?**

MAROON

It's me, hi.

ANTI-HERO

**Heartbreak
is the
national
anthem. We
sing it
proudly.**

NEW ROMANTICS

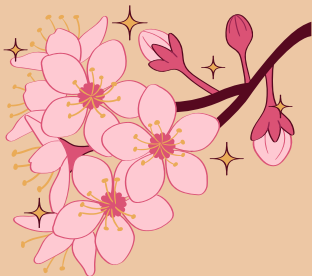

**Flying in
my dream,
stars by
the
pocketful.**

SNOW ON THE BEACH

**This scene
feels like
what I
once saw
on the
screen.**

SNOW ON THE BEACH

**Karma is
the breeze
in my hair
on the
weekend.**

KARMA

**Devils roll
the dice,
angels roll
their eyes.**

CRUEL SUMMER

**Nothin' last
forever,
but this is
gettin'
good now.**

WILDEST DREAMS

Wind in my
hair, I was
there.

ALL TOO WELL

**Meet me in
the
afterglow.**

AFTERGLOW

**Hell was
the journey
but it
brought me
heaven.**

INVISIBLE STRING
